ABOUT THE SCHOOL

Established in 1840 as the world’s first dental college, the University of Maryland School of Dentistry remains committed to graduating exceptional oral health care professionals. We strive to promote, maintain and improve the oral and overall health of Maryland residents, while enhancing patient care and contributing to the body of international health research.

The School of Dentistry is an integral part of The University of Maryland, the Founding Campus, a seven-school professional and graduate education institution situated on 61 acres in downtown Baltimore. With our partner schools – Medicine, Law, Pharmacy, Nursing, Graduate and Social Work – we form a vital component of the 11-campus University System of Maryland
